[Pravda](#) [1]:

President Obama criticizes thepetulant left

"Creative class" weasel [Booman](#) [2] must have been on the same conference call:

Predictably, there are those [on the left](#) [3] [Yves (!)] who want to spin this as some kind of sleight of hand move to marginalize Warren. Any such analysis is completely premature and it just reeks of [petulance](#).

Ah yes. The petulant, who vent over ["trifling annoyances."](#) [4]

Like [10% nominal \(20% real\) disemployment](#) [5] being normalized, and neither the Ds nor The Big O doing jack squat about it. For starters.

OK, so we're petulant, and no longer Shrill. Badge of honor, so far as I'm concerned, considering the sources.
