## Annals of career "progressive" idiocy

Submitted by lambert on Fri, 12/24/2010 - 8:59pm

Oh, Booman, Booman <sup>[1]</sup>, you're either ruining my Christmas Eve, or giving this blogger the bestest gift he's ever had:

At this point in his presidency I think it is fair to say that Obama is already in the conversation as best president since Abraham Lincoln.

The numbers all go to 11, right across the board <sup>[2]</sup>, don't they?

Lordy. Make up your own jokes!
