Reactions to Obama's press conference, bonus photo that says it all

Submitted by jawbone on Wed, 06/29/2011 - 12:24pm

It is a stunning photo, and, oh so painfully on point.

Based on the comments, if Obama has not lost all the big dogs at FDL, he sure seems to have loat almost all the pups over there.

And, in those behind closed door negotiations, what WILL he give away to the R's?

Heh, mild-mannered Barack Obama turns in Super Austerity Man behind those doors.
